

Prologis Announces Sale of Prologis Park Hegyeshalom to Horvath Rudolf

Budapest (8 March 2018)

Prologis, Inc., the global leader in logistics real estate, today announced the sale of Prologis Park Hegyeshalom in Hungary to Horvath Rudolf Intertransport Ltd, a Hungarian logistics services provider.

The transaction includes a fully leased Class-A logistics facility totalling 32,300 square metres and 24 hectares of land.

Prologis Park Hegyeshalom is the first Class-A logistics park in the northwestern area of Hungary, in "the magic triangle" that comprises the Hungarian, Austrian and Slovak borders. The park has easy motorway access to Bratislava (M15), Vienna and Budapest (M1).

"Our strategy is to focus on high-barrier markets that show strong demand amid low vacancy," said László Kemenes, senior vice president and country manager, Prologis Hungary. "In line with this principle, we will continue to focus on core locations in the greater Budapest area."

JLL represented Prologis while Deloitte advised Horvath Rudolf.

About Prologis

Prologis, Inc. is the global leader in logistics real estate with a focus on high-barrier, high-growth markets. As of December 31, 2017, the company owned or had investments in, on a wholly owned basis or through co-investment ventures, properties and development projects expected to total approximately 684 million square feet (64 million square meters) in 19 countries. Prologis leases modern distribution facilities to a diverse base of approximately 5,000 customers across two major categories: business-to-business and retail/online fulfillment.

Forward-looking Statements

The statements in this document that are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on current expectations, estimates and projections about the industry and markets in which we operate as well as management's beliefs and assumptions. Such statements involve uncertainties that could significantly impact our financial results. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," and "estimates", including variations of such words and similar expressions, are intended to identify such forward-looking statements, which generally are not historical in nature. All statements that address operating performance, events or developments that we expect or anticipate will occur in the future — including statements relating to rent and occupancy growth, development activity, contribution and disposition activity, general conditions in the geographic areas where we operate, our debt, capital structure and financial position, our ability to form new co-investment ventures and the availability of capital in existing or new co-investment ventures — are

forward-looking statements. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict. Although we believe the expectations reflected in any forward-looking statements are based on reasonable assumptions, we can give no assurance that our expectations will be attained and therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. Some of the factors that may affect outcomes and results include, but are not limited to: (i) national, international, regional and local economic and political climates, (ii) changes in financial markets, interest rates and foreign currency exchange rates, (iii) increased or unanticipated competition for our properties, (iv) risks associated with acquisitions, dispositions and development of properties, (v) maintenance of real estate investment trust status, tax structuring and changes in income tax rates (vi) availability of financing and capital, the levels of debt that we maintain and our credit ratings, (vii) risks related to our investments in our co-investment ventures, including our ability to establish new co-investment ventures, (viii) risks of doing business internationally, including currency risks, (ix) environmental uncertainties, including risks of natural disasters, and (x) those additional factors discussed in reports filed with the Securities and Exchange Commission by us under the heading "Risk Factors." We undertake no duty to update any forward-looking statements appearing in this document except as may be required by law.
