

Prologis Completes Sale of \$1.1 Billion Portfolio

SAN FRANCISCO (October [2], 2018) – Prologis, Inc. (NYSE: PLD), the global leader in logistics real estate, today announced it has completed the sale of a high-quality portfolio of buildings and land in Europe and the United States to a major Asian property company for \$1.1 billion.

The portfolio comprises 1.5 million square meters of buildings as well as 584,000 square meters of land, including:

- 46 buildings totaling 923,000 square meters principally in Poland, France and Hungary
- 40 buildings totaling 610,000 square meters primarily in Seattle, Dallas and Chicago

The transaction included \$934 million of assets from Prologis' co-investment ventures and \$195 million in wholly owned assets. Prologis' share of the proceeds totaled approximately \$610 million. The transaction was included in the company's 2018 guidance.

"This transaction effectively completes our efforts to align our portfolio with our long-term investment strategy," said Michael S. Curless, chief investment officer, Prologis. "Our portfolio realignment program began in 2011 and, upon completion in the fourth quarter of this year, will total \$14 billion of sales on an owned and managed basis."

About Prologis

Prologis, Inc. is the global leader in logistics real estate with a focus on high-barrier, high-growth markets. As of June 30, 2018, and inclusive of the DCT acquisition on August 22, 2018, the company owned or had investments in, on a wholly owned basis or through co-investment ventures, properties and development projects expected to total approximately 756 million square feet (75 million square meters) in 19 countries. Prologis leases modern distribution facilities to a diverse base of approximately 5,500 customers across two major categories: business-to-business and retail/online fulfillment.

Forward-Looking Statements

The statements in this document that are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on current expectations, estimates and projections about the industry and markets in which we operate as well as management's beliefs and assumptions. Such statements involve uncertainties that could significantly impact our financial results. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates" and variations of such words and similar expressions are intended to identify such forward-looking statements, which generally are not historical in nature. All statements that address operating performance, events or developments that we expect or anticipate will occur in the future — including statements relating to rent and occupancy growth, development activity and changes in sales or contribution volume of properties, disposition activity, general conditions in the geographic areas where we operate, our debt, capital structure and financial position, our ability to form new co-investment ventures and the availability of capital in existing or new co-investment ventures — are forward-looking statements. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict. Although we believe the expectations reflected in any forward-looking statements are based on reasonable assumptions, we can give no assurance that our expectations will be attained and therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. Some of the factors that may affect outcomes and results include, but are not limited to: (i) national, international, regional and local economic climates, (ii) changes in financial markets, interest rates and foreign currency exchange rates, (iii) increased or unanticipated competition for our properties, (iv) risks associated with acquisitions, dispositions and development of properties, (v) maintenance of real estate investment trust status, tax structuring and income tax rates (vi) availability of financing and capital, the levels of debt that we maintain and our credit ratings, (vii) risks related to our investments in our co-investment ventures, including our ability to establish new co-investment ventures and funds, (viii) risks of doing business internationally, including currency risks, (ix) environmental uncertainties, including risks of natural disasters, and (x) those additional factors discussed in reports filed with the Securities and Exchange Commission by us under the heading "Risk Factors." We undertake no duty to update any forward-looking statements appearing in this document.
